

Learning Plan Week # 4 (April 27- May 1)

<p>Monday 20 minutes of reading</p> <p>Focus- get your mouth ready for the first part of the word.</p> <p>Kids AZ: Kids Login</p>	<p>Tuesday 20 minutes of reading</p> <p>Focus- find all the sight words you know before reading.</p> <p>https://www.kidsa-z.com/main/Login</p>	<p>Wednesday 20 minutes of reading</p> <p>Focus- look for parts that you know in tricky or bigger words- (ing, s, at, to)</p> <p>https://www.kidsa-z.com/main/Login</p>	<p>Thursday 20 minutes of reading</p> <p>Focus- talk about the beginning, middle and ending of the story.</p> <p>https://www.kidsa-z.com/main/Login</p>	<p>Friday 20 minutes of reading</p> <p>Focus- go back to re-read the sentence if it doesn't make sense or you notice you made a mistake.</p> <p>https://www.kidsa-z.com/main/Login</p>
<p>20 minutes of writing</p> <p>Writing: Free write - choose a topic you would like to write about.</p> <p>Focus- tell your story out loud to a parent or brother/sister before you begin writing. This will help build your ideas and make it clear what you are going to write.</p>	<p>20 minutes of writing</p> <p>Writing idea: write a letter to one of your friends/classmates. Tell them about what you've been doing and about what you miss from school.</p> <p>Focus- work on having both capital and lowercase letters of appropriate sizes.</p>	<p>20 minutes of writing</p> <p>Writing: Free write - choose a new/different topic you would like to write about.</p> <p>Focus-try to write a story with a beginning, middle and ending.</p>	<p>20 minutes of writing</p> <p>Writing idea: write a story about your favourite toy.</p> <p>Focus- add lots of details. Why is it your favourite? Where did you get it? What does it do? What do you do with it? Who gave it to you? And any other details you can add.</p>	<p>20 minutes of writing</p> <p>Writing: Free write - choose a new topic you would like to write about</p> <p>Focus- make sure there are good finger spaces between your words. Take a look at a book to remind you what a good sized finger space looks like.</p>
<p>20 minutes of math Focus- practice math skills</p>	<p>20 minutes of math Focus-</p>	<p>20 minutes of math Focus-</p>	<p>20 minutes of math Focus-</p>	<p>20 minutes of math Focus- practice math skills</p>

<p>on Prodigy</p> <p>https://www.prodigygame.com/</p>	<p>Number of the Day:</p> <p>Show a number in as many ways as you can, using objects from inside/outside or draw them. For ex.,number 4, show 4 bars, 4 twigs. Say/write down 2 and 2, show 4 on the ten-frame, use a domino that shows 4 etc.</p> <p>Gr. Primary students work with sets of items from 1-10.</p> <p>Gr. 1 students work with sets 0-20.</p>	<p>Show More/Less:</p> <p>Gr. P say/add some objects on the ten-frame to show a number that is more or less than a given number.</p> <p>Gr. 1 say/show a number on the ten-frames that is 1 or 2 more or 1 or 2 less than a given number</p> <p>Sample 10 Frame provided</p>	<p>Matching Sets to Numbers:</p> <p>Using a number line, point to a number and have your child make a set to match the number. Ex. If you point to 9, then they could show you 9 socks.</p> <p>Sample Number Line provided</p>	<p>on Prodigy</p> <p>https://www.prodigygame.com/</p>
<p>Mental Math - how many different combinations make nine? (1 and 8, 2 and 7, 3 and 6...)</p>	<p>Mental Math - count backwards from 5, 10 or 20 as you walk, jump, skip, march, or go up the stairs. Do one movement for each number.</p>	<p>Mental Math - point to a number on the number line and count on from that number (ie:point to 6 and count on saying 7,8.9 etc)</p>	<p>Mental Math - What number is greater? 7 or 10</p>	<p>Mental Math - What number is missing?</p> <p>3, 4, ?, 5, 6</p> <p>10, 11, 12, ?, 14</p>
